Laboratory The departments of physics, Chemistry, Geology, Botany and Zoology have well equipped laboratories. For cleanliness and upkeep of the equipment, lab attendants have been appointed in each department and lab technicians are entrusted with the responsibility of the management of the equipment and to assist the students if required. The students are divided into various groups to carry out the practical works on the days prefixed and intimated well in advance. Generally each group is given two days in continuity in a week for the lab work. Procurement of the equipment is done either through tender or GEM as per policy of the government. Library To make the system of library smooth and hassle free, it has been bifurcated into the central library and the departmental library. The central library caters books to the students of the undergraduate classes. It houses old as well as new books as per updated syllabi. It uses SOL software to manage the procedure of stacking and issuing of the books. One peon is assigned for the cleanliness of the rooms, stacks and bookshelves and one booklifter has also been employed. A librarian is responsible to monitor the whole process of the transaction of the books. A computer operator has also been attached to facilitate the work. The departmental libraries function as independent units to issue the books to the postgraduate students. A teacher of the department, for a period of two years, functions as an in charge of the library. He/she issues the books to the concerned students for a period specified. Grants for purchasing of books is provided by the State Government and the RUSA. The books dilapidated and torn are written off after the proper recommendation by the duly constituted Committee. There is also a reading room adjoining the library with current political and literary publications. There are also computers connected with the internet facility.

Sports Complex The college has its own sports stadium, well maintained track and rooms for lodging for sports teams at the time of tournaments. It had a table tennis hall, badminton court and well equipped gymnasium. A peon is assigned to take care of the maintenance of the track, sports goods and equipment. A sweeper is responsible for the cleanliness of the basic utility services. At the time of district and state level sports events work force is hired to prepare track and to take care of other arrangements related to the sports activities. A sports committee is constituted to organise the sports events as per annual sports calendar issued by the state government. The sports officer along with professor in charge of each game selects and trains the students according to their interest in the game. Procurement of the sports goods and equipment is carried out through GEM. Computer, Class rooms and Other Facilities Each department had been provided with a computer system. There are two computer labs. Account section is fully automated. There are four projectors installed in the classrooms. Three sweepers and ten peons clean the campus and the classrooms
