SWOC Analysis of the Department and Future Plans.

1. Weakness – Low entry level knowledge base of the students, lack of smart classroom.
2. Opportunities – Intensive coaching for slow learners, extra coaching classes for NET and SLET,
Adequate library and E- journals provided for fast learners.
3. Challenges – To check student's absent and drop-outs, to make higher education accessible to Socioeconomically backward students, Introduce and sustain job oriented and self Financing courses.
4. Future plans – Increment of smart classrooms, more number of self- financing courses.
